

# Home Cover

The FMG Home policy provides cover for the house you own and live in.

## About the cover

The FMG Home policy covers the house, which can include associated domestic garages, sheds, gates, fences, patios, tennis courts, driveways, and pools. In addition, FMG will meet the reasonable cost incurred for architects, engineers, and surveyors plus the cost to demolish and remove debris associated with a loss.

## Your Home can be covered for either:

- **Replacement Value, or**
- **Nominated Replacement Value, or**
- **Present Day Value**

### Replacement Value: (capped at Nominated Replacement Value for Natural Hazard)

We will pay the reasonable cost to rebuild or repair the damaged portion of your home as nearly as practicable to an as new condition, limited to the square metre area shown on the certificate

\* Natural Hazard means earthquake (including earthquake fire), volcanic eruption, tsunami, hydrothermal activity, or natural landslide

### Nominated Replacement Value

We will pay the reasonable cost to rebuild or repair the damaged portion of your home as nearly as practicable to an as new condition; the maximum we will pay is the amount shown on your certificate for any one event

### Present Day Value

We will pay the reasonable cost to rebuild or repair the damaged portion of your home as nearly as practicable to the same condition it was in prior to the loss; the maximum we will pay is the amount shown on your certificate for any one event

## Automatic Benefits Include

### The FMG difference

FMG has its roots firmly planted in rural New Zealand, which is why you'll find that we're different when it comes to insurance. We were started in 1905 by farmers for farmers and growers, and today we're still 100% New Zealand owned by our rural clients.
