Terms of our policy to cover rental houses

This policy wording describes the Rental House policy. This policy covers your rental house, which can include associated domestic garages, sheds, gates, fences, patios, tennis courts, driveways and pools. This policy also contains extra benefits just for rental houses.

Important information about your FMG policy

Please read and file this document and your policy certificate

Please take the time to read carefully through this policy wording and the accompanying policy certificate. Together, these two documents form your insurance contract with us.

The policies and benefits we agree to provide are listed on your certificate. This wording details the cover that this policy and benefits provide.

The policy certificate shows what you are covered for

Your policy certificate is particularly important. If there is any inconsistency between your FMG policy wording and what is on the certificate, it is the certificate that prevails.

We are here to help

Under this contract, you and FMG both have responsibilities to ensure everything runs smoothly. Read these documents to find out what they are. If there is anything that you don't understand, please contact us.

Please:

- tell us of any errors in your documentation
- contact us if there is anything you don't understand and would like explained
- keep this policy in a safe place along with your renewal notice(s).

We will remind you when your policies need to be renewed

The date that cover ceases is shown on the policy certificate. If your policy is renewable, we will contact you about renewing your insurance just before that date.

The policies and benefits we agree to provide are listed on your certificate. This policy wording details the cover that this policy and benefits provide.

We have defined the meanings of some words

In this document, we use italics to show that the words have the meanings given in the definitions section.

We also use the following common terms throughout the document, with the meanings shown:

- **Certificate** means the latest version of your policy certificate issued by us. The certificate contains details of your insurance cover under this policy.
- **FMG** means FMG Insurance Limited as shown on the certificate.
- **Period of insurance** means the duration of your policy, as shown on the certificate (unless the policy is ended earlier by you or us).
- **We, us, or our** means FMG.
- **You** and **your** means the person (or persons) shown on the certificate as the insured. You can also be a company, partnership or other legal entity.

You must provide information and pay your premium

You agree to give us correct and complete information

We have provided this policy based on the information you have disclosed to us. If you give us information that is incorrect or incomplete, you might not be covered under the policy.

You need to tell us:

- all material information before the cover starts, even if we don't specifically ask about it (material information is information that could change our decision if we knew about it)
- straight away if your circumstances change in any way while you are insured with us, both during the period of insurance and at renewal.

You agree to pay your premiums on time

Cover under your policy will not start until you have paid, or have agreed to pay, the premium (including any government charges) for the period of insurance. If your premiums are not paid by the due date, your insurance could be cancelled and you will not be insured.

You agree to the exclusions and obligations detailed in the policy

You are not covered for some items, events, and circumstances. These are called exclusions. Exclusions are detailed throughout the policy.

This policy also contains certain conditions and obligations that you must meet. If you don't, we may decline any claim you make. Any other person who is entitled to claim under this policy must also meet these conditions and obligations.

We will be fair in the way we provide this cover

We are bound by the Fair Insurance Code

FMG is a member of the Insurance Council of New Zealand and bound by the Council's Fair Insurance Code. For a copy of the Code, please call us on 0800 366 466.

We comply with the Privacy Act 2020

We collect personal information about you, your business, or both. We asked you for personal information to fully evaluate and to administer this policy, and we may ask for more if you make a claim or renew the policy. You also authorise us to:

- collect relevant information about you or your business from third parties, such as other insurers and the Natural Hazards Commission Toka Tū Ake/EQC
- disclose information about you in connection with insurance to third parties.

We fully understand the importance of protecting your personal, commercial and financial information. We store your information securely, within our organisation, and will not share it except in compliance with the Privacy Act 2020. You have rights under the Privacy Act 2020 to access and correct the information we hold about you.

For information about how we collect, use and store your personal information, see the full Privacy Statement on our website (www.fmg.co.nz).

We provide a 30-day 'cool off' period

We are confident this policy will be right for you. However, you may cancel this policy within 30 days of the start date if you are not entirely happy, without giving us a reason. We will refund any premium you have paid, provided you do not have a claim during this 30-day period.

We agree to cover your rental house and liability

We agree to provide you with the insurance set out in this policy, if 'Rental House' is shown on the certificate.

The parts of this policy that apply to you will depend on the cover option you have chosen as follows:

- Accidental loss: you are covered for your rental house (section 1) and liability (section 2).
- Defined event: you are covered for your rental house (section 1) only.
- Fire only: you are covered for your rental house (section 1) only.

Your certificate shows the cover you have.

Section 1 – We cover your rental house

1. We cover your rental house, building materials and fittings and fixtures

Your *rental house*, building materials and fittings and fixtures are insured for one of the following, as shown on the certificate:

- *accidental loss*,
- *defined event*, or
- *fire only*.

Your building materials are only insured if they are to be permanently incorporated in your *rental house* and one of the following applies:

- you have newly purchased them and they are still at the retailer's premises,
- they are in transit to your *rental house*,
- they are at your *rental house*.

Your *rental house* fittings and fixtures continue to be insured when:

- temporarily removed from your *rental house* to anywhere in New Zealand (including in transit within New Zealand), or
- for sale anywhere in New Zealand (including in transit within New Zealand).

2. All covers include automatic benefits

If your *rental house* is insured for accidental loss, defined event or fire only, you are automatically insured under this section for the following benefits.

2.1 We provide limited cover for landlord's contents

You are insured for *accidental loss* to landlord's contents at your *rental house* which occurs during the period of insurance.

For each event, we will pay the lowest of:

- the reasonable costs to repair or replace them as nearly as practicable to the condition they were in prior to the loss
- their *present-day value*
- \$10,000.

We will pay these costs in addition to the amount of cover available for your *rental house*.

Section 1 - We cover your rental house

Landlord's contents means the following items owned or hired by you (as long as you are legally liable under the hire agreement), and provided in the *rental house* for your *tenants* to use:

- fixtures and fittings, including drapes and light fittings
- furniture and household appliances, such as washing machines, dryers, refrigerators, freezers, dishwashers and heaters
- domestic garden appliances, including their parts and accessories.

2.2 We cover loss of rent after loss

We will pay any rent you lose if:

- you have tenanted your *rental house*, and
- we agree it cannot be lived in because of *accidental loss* covered by this policy.

We will cover the costs you incur up until whichever of the following occurs first:

- the end of the period reasonably required to make your *rental house* habitable
- the time repairs are completed
- the time we have paid the claim on your *rental house*.

If we settle your claim under clause 5.7 (cash settlement) and you have a valid claim under clause 2.2 (loss of rent), then we will cover the amount of rent lost for the reasonable period we estimate that it would take to rebuild or repair your *rental house* to a habitable state.

We will pay up to \$20,000 (or any higher amount shown on the certificate) for any one *event*.

2.3 We cover loss caused by natural hazard (natural disaster)

Your *rental house* is insured for *accidental loss* caused by *natural hazard (natural disaster)*.

Where your *rental house* is also insured under the Natural Hazards Insurance Act 2023 or the Earthquake Commission Act 1993 (NHI/EQC Acts) for *accidental loss* caused by *natural hazard (natural disaster)*, we will only pay the difference between your maximum Natural Hazards Cover (NHCover/EQCover) entitlement under the NHI/EQC Acts and the cover you have under this policy.

Your maximum NHCover/EQCover entitlement means:

- The amount payable to you by the Natural Hazards Commission Toka Tū Ake (NHC)/EQC under the NHI/EQC Acts for the *accidental loss* to the *rental house*, or
- The amount that would have been payable to you by the NHC/EQC but for the NHC/EQC declining or limiting the cover payable under the NHCover/EQCover for the *accidental loss* to the *rental house*, in whole or in part, for any reason whatsoever.
- The amount of any excess payable by you under the NHCover/EQCover or that would have been payable by you but for the NHC/EQC declining or limiting the cover under the NHCover/EQCover for the *loss*, in whole or in part, for any reason whatsoever.

We will not pay any part of your maximum NHCover/EQCover entitlement.

The most we will pay under this benefit for any *event* is the difference between your maximum NHCover/EQCover entitlement and the amount of cover available for your *rental house* under this policy. The amount we pay is in excess of the maximum NHCover/EQCover entitlement.

2.4 We provide limited cover for replenishment costs

You are insured for the reasonable cost of replenishing your fire-fighting equipment after it has been used to protect your *rental house* from *loss* covered by this policy.

We will pay up to \$5,000 for any one *event*.

3. Accidental loss cover includes additional automatic benefits

If your *rental house* is insured for *accidental loss*, you are also automatically insured under this section for all the following benefits.

3.1 We provide limited cover for gradual damage

Your *rental house* is insured for gradual damage that occurs during the period of insurance caused by:

- leaking from any internal water tank, internal water pipe, or waste disposal pipe
- leaking at the immediate point of connection between a hidden internal water, or waste disposal pipe, and any household appliance installed at your *rental house*.

Gradual damage is only covered if you:

- minimise the damage, and
- prevent any further damage as soon as it is discovered.

We will pay the reasonable cost to repair the damage.

We will not pay for the costs of locating or repairing the leak.

We will pay up to \$5,000 for any one event.

3.2 We cover loss from unlawful substances

You are insured for *loss* to your *rental house* caused by contamination from unlawful substances during the period of insurance if all of the following apply:

- the house is occupied by your *tenants*
- when you claim under this benefit the house is insured by us
- you or the person managing your *rental house* on your behalf has:
 - exercised reasonable care in selecting *tenants*, including obtaining satisfactory written or verbal references
 - completed internal and external inspections of your *rental house* at least every six months and when the occupancy changes
 - kept a written record of each inspection, which must be provided to us if we request it.

We will pay:

- up to \$25,000 for the cost of decontaminating your *rental house* during the period of insurance. This includes the cost of:
 - testing your *rental house* for contamination caused by the manufacture, storage, use or distribution of an unlawful substance provided the results prove that the contamination exceeds the Ministry of Health's guidelines, standards, recommendations or reports that apply during the period of insurance
 - certifying that your *rental house* has been successfully decontaminated
 - decontaminating contents covered under automatic benefit 2.1 (landlord's contents)
- up to the amount shown on the certificate for your *rental house* (if applicable) to rebuild or repair the damaged portion of your *rental house* resulting from a fire or explosion during the period of insurance caused by the manufacture, storage, use or distribution of an unlawful substance.

If your *rental house* is contaminated by the unlawful substance methamphetamine, we will cover decontamination costs only for those rooms that exceed the lowest level set out in the Ministry of Health guidelines, standards, recommendations or reports, whichever sets out the lowest level and which is in effect during the period of insurance. We will pay to decontaminate those rooms only to the extent required by those guidelines, standards, recommendations or reports.

Further conditions are:

- once we agree to pay a claim under this benefit, your *rental house* is not covered under this benefit until an industry-approved contractor certifies that the house has been satisfactorily decontaminated
- you are not insured for your legal liability connected in any way with anything covered under this benefit.

You are not covered under this benefit for loss you, or any member of your family, cause or directly contribute to. If we accept a claim under this benefit it constitutes loss for the purposes of automatic benefit 2.2 (loss of rents).

Unlawful substance means any 'controlled drug' as defined in the Misuse of Drugs Act 1975 and any liquids, gases, substances or other materials used in, or that are a by-product of, the manufacturing of unlawful substances.

3.3 We cover your solar panels, battery banks and inverters.

You are insured for alternative power and heat sources permanently attached to your *Rental House*, including:

- Solar Panels
- Battery banks
- Inverters
- Petrol and Diesel Generators
- Solar water heaters
- Any other alternative power generation or heat sources located on the section, where they are used exclusively for the Rental House.

The cover available under this benefit is included in the amount of cover available for your *Rental House*.

3.4 We cover the replacement cost of locks and keys

You are insured for the reasonable cost of replacing locks and keys (including electronic access cards and transponders, remote door openers, or any other equivalent device) that give access to your *rental house* if you have reasonable grounds to believe:

- they are lost, damaged or stolen,
- they have been duplicated without your consent,
- someone else has found out the combination of an electronic key pad, lock or external door.

You do not have to pay any excess for this benefit.

3.5 We cover the removal of debris costs

You are insured for the reasonable costs of removing and disposing of any tree that has fallen onto and damaged your *rental house*, provided we have accepted a claim for the damage to that house.

We will only remove the debris that is within your *section*.

We will pay up to \$1,000 for any one *event*.

3.6 We cover retaining walls

You are insured for *accidental loss* to the *retaining walls* of your *rental house* during the period of insurance.

We will pay to repair or rebuild these *retaining walls* up to \$50,000 for any one *event*.

This sum is included in the amount of cover available for your *rental house*.

3.7 We cover landscaping costs

If we have accepted a claim for *accidental loss* to your *rental house*, we will pay the reasonable cost of reinstating any lawn, flowers, trees or shrubs damaged in the same *event*.

We will pay up to \$5,000 for any one *event*.

3.8 We cover post-event inflation costs

If the certificate shows that your *rental house* is insured for Nominated Replacement or Replacement, capped at the sum insured for Natural Hazard (Natural Disaster) we may, at our option, increase the cover available under this policy if all of the following apply:

- we have accepted a claim for *accidental loss* to your *rental house*
- your claim is to be paid on the basis of an actual repair or rebuild of your *rental house*
- a *natural hazard (natural disaster), flood or storm* in the district or region where your *rental house* is located has caused widespread *loss* resulting in a statistically significant increase in demand that has led to increased building costs
- the actual cost to repair or rebuild your *rental house* is higher than the amount shown on the certificate for your *rental house* due solely to the increase in building costs described above.

The maximum additional amount we will pay under this benefit for any one *event* is 10% of the amount shown on your certificate for your *rental house*.

3.9 We cover septic tank changes

We will rebuild or replace your undamaged septic tank or system where reasonably necessary after *accidental loss* to your *rental house* because:

- The repair or rebuilding of your rental house on the original site means that the septic tank or system also needs to be moved, replaced or changed to connect with the rebuilt or repaired rental house.
- Your septic tank or system needs to be moved, replaced or changed due to government or local authority requirements (but only if the tank or system complied with these requirements at the time it was originally built)

3.10 We cover loss from terrorism

Your *rental house* is insured for *accidental loss* (but not related costs or expenses) caused by *terrorism*. However it is not insured for *loss* connected in any way with *terrorism* that involves nuclear, biological or chemical weapons, substances or contamination.

For any one *event*, we will pay the lowest of the following:

- the amount shown on the certificate
- the cost to rebuild or repair your *rental house*
- \$1,000,000.

3.11 We cover culverts and bridges

You are insured for accidental loss to your culverts and bridges that form part of the main access way to your *rental house*.

We will pay to repair or rebuild these culverts and bridges up to \$50,000 for any one *event*, or any higher amount listed on the certificate.

The cover available under this benefit is included in the amount of cover available for your *rental house*

4. You can choose to add any of the following optional benefits

These optional benefits only apply if you have purchased them and they are shown on your certificate.

4.1 We cover lifestyle block fencing

If you have bought this benefit, you are insured for *accidental loss* to your *lifestyle block fencing*.

We will pay the reasonable cost to repair or replace your *lifestyle block fencing*.

For any one event, we will pay the lesser of:

- the *present-day value* of the damaged part of your *lifestyle block fencing*
- \$5,000.

4.2 We cover breakdown or failure of lifestyle block pumps and motors

If you have bought this benefit, you are insured for the breakdown or failure of any pump or motor used to service your lifestyle block.

We will pay the reasonable cost to repair or replace the pump or motor up to \$5,000 for any one event.

Breakdown or failure means any form of mechanical, hydraulic, electrical or electronic breakdown or failure, due to an internal (rather than external) cause including breaking, deforming, or seizing.

5. What we will pay

What we pay depends on:

- which of the three types of cover you have (clauses 5.1 to 5.3):
 - Replacement, capped at the sum insured for Natural Hazard (Natural Disaster)
 - Nominated Replacement
 - Present-Day Value
- whether changes are required, or professional fees or the removal of debris is involved (clause 5.4)
- whether your *rental house* is rebuilt on another site (clause 5.5)
- whether or not you rebuild (clause 5.6), and
- whether we choose to cash settle (clause 5.7).

Additionally, where a benefit refers to a specific limit that is the maximum amount we will pay for that benefit.

5.1 Replacement, capped at the sum insured for Natural Hazard (Natural Disaster)

If the certificate shows that your *rental house* is insured for Replacement, capped at the sum insured for Natural Hazard (Natural Disaster):

- In the event of an *accidental loss* caused by *natural hazard (natural disaster)*, it will be treated as if the certificate showed it was insured for Nominated Replacement and clause 5.2 (Nominated Replacement) applies.
- Otherwise, we will pay the reasonable cost to rebuild, repair or replace the damaged portion of your *rental house* as nearly as practicable to an as new condition, using building materials and construction methods in common use at the time of the repairs, but limited to the square metre area shown on the certificate.

5.2 What we will pay if you have insured for Nominated Replacement

If the certificate shows that your *rental house* is insured for Nominated Replacement, we will pay the reasonable cost to rebuild, repair or replace the damaged portion of your *rental house* as nearly as practicable to an as new condition, using building materials and construction methods in common use at the time of the repairs.

The maximum we will pay is the amount shown on your certificate for any one event.

5.3 What we will pay if you have insured for Present-Day Value

If the certificate shows that your *rental house* is insured for Present-Day Value, we will pay the reasonable cost to rebuild or repair the damaged portion of your *rental house* as nearly as practicable to the same condition it was in prior to the *loss*, using building materials and construction methods in common use at the time of the repairs.

The maximum we will pay is the amount shown on your certificate for any one *event*.

5.4 What we will pay for changes required, professional fees and the removal of debris

Under clauses 5.1 to 5.3 above, we will pay the reasonable cost to make any changes required by the Government or a local authority. However:

- your *rental house* must have complied with all relevant legislation and regulations at the time it was built or altered, and
- we will only pay for changes to the part of the house that has suffered *loss* covered by this policy.

We will also pay the reasonable costs for:

- architect, engineer and surveyor fees authorised by us, and
- demolishing and removing the debris (including contents).

You are not insured for the cost of anyone you engage to prepare or advise on or negotiate a claim under this policy.

The amounts we will pay under this clause are included in the amount shown on your certificate for your *rental house* (if applicable).

5.5 What we will pay when your rental house is rebuilt on another site

If the certificate shows that your *rental house* is insured for Replacement, capped at the sum insured for Natural Hazard (Natural Disaster) or Nominated Replacement, and your *rental house* needs to be rebuilt, you may, with our prior approval, rebuild on another site. However, we will not pay more than the reasonable costs that would have been incurred to rebuild on the original site.

The maximum we will pay is the amount shown on your certificate for any one *event* (if applicable).

5.6 What we will pay if you do not rebuild

If you do not rebuild, repair or replace your *rental house*, we will pay:

- the *present-day value* of the damaged part of your *rental house*, and
- the reasonable cost to demolish and remove the debris (including contents).

The maximum we will pay is the amount shown on your certificate for any one *event* (if applicable).

5.7 We may choose to cash settle

We may at our sole discretion choose to cash settle your claim or any part of your claim. If we choose this option, what we will pay depends on which of the three types of cover you have (clauses 5.1 to 5.3).

If the certificate shows that your *rental house* is insured for Replacement, Capped at the Sum Insured for Natural Hazard (Natural Disaster) or Nominated Replacement, any cash payment will be the lesser of the following:

Section 1 - We cover your rental house

- our reasonable estimate to repair, replace or rebuild the damaged portion of your *rental house* (or part of your *rental house*) based on the advice of an appropriately qualified party appointed by us, less any amount we have already paid for:
 - costs covered under clause 5.4 (changes required, professional fees and the removal of debris), and
 - repair costs.
- the amount shown on your certificate for your *rental house* (if applicable), less any amount we have already paid for:
 - costs covered under clause 5.4 (changes required, professional fees and the removal of debris), and
 - repair costs.

If the certificate shows your *rental house* is insured for Present-Day Value, any cash payment will be the lesser of the following:

- our reasonable estimate to rebuild or repair the damaged portion of your *rental house* (or part of your *rental house*) as nearly as practicable to the same condition it was in prior to the *loss*, using building materials and construction methods in common use at the time of the repairs, less any amount we have already paid for:
 - costs covered under clause 5.4 (changes required, professional fees and the removal of debris), and
 - repair costs.
- the amount shown on your certificate, less any amount we have already paid for:
 - costs covered under clause 5.4 (changes required, professional fees and the removal of debris), and
 - repair costs.

- *accidental loss* to the property of others

Your policy covers such liability if the accident arises at your *section* during the period of insurance.

7.2 You are insured for legal defence costs

8. The cover also includes automatic benefits

Your insurance for legal liability and legal defence costs automatically includes the following benefits.

8.1 We cover your legal liability under the Innkeepers Act

We will pay up to \$100,000 for any one *event*.

8.2 We cover your legal liability for pollution and contamination

You are insured for your legal liability for costs you incur for a *loss* due to pollution or contamination provided it:

- occurs at your *section* during the period of insurance, and
- is caused by an *accidental event* during the same period of insurance.

9. What we will pay

Where a benefit refers to a specific limit that is the maximum amount we will pay for that benefit.

The maximum amount we will pay in total under the liability part (section 2) for any *event* is \$1,000,000.

If both you and another person or persons are entitled to cover as a result of the same *event*, we will pay for your legal liability first.

10. What liability you are not insured for

This section contains specific exclusions for the liability section of this policy. The general exclusions, starting on page 18, also apply.

10.1 You are not insured for your liability for loss to your property

Making a claim

The conditions in this section are important. You must meet all conditions before we will accept a claim under your policy with us.

12. What you must do

12.1 As soon as you know you are likely to make a claim

You must let us know immediately if anything happens that is likely to lead to a claim.

You must take reasonable steps to minimise the claim and avoid any further claim.

You must make a complaint to the Police if you suspect criminal activity.

12.2 When communicating with us

You must complete our claim form in full if we ask you to do so, and return it to us within 30 days of our request.

You must provide all reasonable information and assistance we require at any time.

You must immediately send us all relevant correspondence and court documentation. You must authorise us to:

- get personal information about you from you and third parties in connection with your insurance
- disclose personal information about you to third parties in connection with your insurance.

For more information about how we collect, use and store your personal information, see the full Privacy Statement on our website (www.fmg.co.nz).

12.3 When you have other insurance

You must immediately notify us of any other insurance that covers you for any of the risks covered under this policy.

13. What you must not do

13.1 You must not accept liability or settle things yourself

You must not admit you are liable to any party. You must not say or do anything that prejudices our ability to:

- defend any action against you, or
- take recovery action in your name.

You must not start any remedial action or dispose of any property you intend to claim on without our prior approval.

13.2 You must not make untrue statements

You, and anyone else entitled to claim under this policy, must ensure all statements made to us are true and complete.

If your claim is dishonest or fraudulent in any way, we are entitled to:

- decline your claim in whole or in part
- bring this policy to an end from the date of the dishonest or fraudulent act
- bring all other insurance you have with us to an end from the date of the dishonest or fraudulent act.

We may also notify the police, the Serious Fraud Office, or both.

14. How we will manage the claim

14.1 If two or more excesses apply, you need to pay the higher excess

If an *event* is covered under more than one of your FMG policies, you will have to pay only one excess. This will be the highest excess we can apply under those policies.

14.2 We will only pay the difference between another insurance and this one

You must immediately let us know if you have other insurance covering the risks covered under this policy. We will only pay over and above the limit payable under that other insurance.

14.3 We have the right to act in your name in litigation

If you make a claim under the liability part of this policy (section 2), we have the sole right to act in your name and on your behalf in connection with that claim. We can defend, negotiate or settle the claim as we decide, at our expense.

We are entitled to appoint our own lawyers who report to us, and you waive your right to legal professional privilege. We may elect to pay:

- the maximum amount payable under this policy, or
- any lesser sum for which the action against you can be settled.

Once we have done so, we have no further liability to you under this policy.

14.4 We may make progress payments

We will, at our option, make regular progress payments for your claim provided that:

- you provide us with proof of your insured *loss*, and
- if the combined progress payments exceed the total amount of the *loss*, you must immediately refund us the difference between these amounts.

14.5 We may recover costs from those responsible for the loss

If we accept any part of your claim, we may exercise any legal rights you have to recover amounts from the people responsible for the *loss*. Any recovery will be at our cost.

If we do this, you must co-operate and give us any help we ask for. If you refuse, you may have to repay the money we paid you.

If we succeed in recovering any money from the people responsible, we will refund your excess. We will pay to you any remaining money recovered after deducting:

- our recovery costs, and
- the money we have paid you.

If you recover any lost or stolen property claimed under this policy:

- you must hand this over to us, and
- we are entitled to keep the property and any proceeds from its sale.

If you receive any reparations for any property on which you have made a claim under this policy, you must immediately reimburse us from these reparations up to the amount of any claim payments we have made to you.

14.6 We can choose whether or not to salvage

If your claim relates to damaged property, we are entitled to retain possession of the damaged property and deal with salvage in a reasonable manner. You cannot abandon any property to us.

General conditions of this policy

The following conditions apply to the whole policy, and cover what you agree to do, how we manage the policy, and how the policy will be interpreted.

15. What you agree to do

These conditions must all be met before we will accept a claim under this policy.

15.1 You must comply with all terms of this policy

You, and anyone else entitled to claim under this policy, must comply with all the terms of the policy before we will meet any claim under it.

You must tell the truth at all times.

15.2 You must tell us immediately if anything changes

After this policy starts, you must notify us immediately of any change in circumstances you are aware of that affects any risks insured under this policy, whether by increasing or altering them.

Once you have done so, we may change the premium and terms of cover, at our discretion.

If you fail to let us know about any change in circumstances, we may (from the date of the failure):

- refuse to meet any claim or part of it
- cancel this policy.

15.3 You must take reasonable care

You must take reasonable care, at your own expense, to avoid and minimise *loss* or damage to the property insured under this policy, and liability to others.

This includes all of the following:

- complying with all relevant laws
- complying with all manufacturer's recommendations
- employing competent *employees*
- maintaining and operating all security protection equipment, and all fire protection and extinguishment equipment, at all relevant times.

We will not pay any claim if you have been reckless or grossly irresponsible.

15.4 You must pay your premiums on time

Cover under this policy will begin when you have paid, or have agreed to pay, the premium for the period of insurance (including any government charges).

If we have agreed that you can pay your premium in instalments, cover under this policy will begin when you have paid, or have agreed to pay, the first instalment (including any government charges), due under this agreement.

You must pay your premiums by the due date.

If you suffer a total loss:

- we will not settle your claim:
 - until the full annual premium is paid, or
 - if you are paying your premium by instalments, until the balance of the full annual premium is paid, and
- we may deduct any outstanding annual premium from the claim settlement.

15.5 You must let us know if your rental house is unoccupied

You must let us know immediately if your *rental house* is going to be unoccupied for 60 days or more.

If your *rental house* is going to be unoccupied for 60 days or more, you must get us to confirm that your cover will continue.

If you do not let us know, you are not insured for loss in any way connected with your *rental house* being unoccupied.

15.6 You must seek our written agreement to a transfer of interest

No interest in this policy can be transferred or assigned without our written agreement.

16. How we will manage this policy

16.1 How to make changes to this policy

If we agree, you may change this policy by giving us notice of the changes.

We may change the terms of this policy at any time by giving you notice at the last known address we have for you. The changes we make will take effect 14 days after the day we send or deliver the notice to you.

16.2 How to cancel this policy

You may cancel this policy at any time by giving notice to us.

We may cancel this policy at any time by giving notice to you at the last known address we have for you. Your policy will be cancelled 14 calendar days after the day we send or deliver the notice to you.

- If you cancel this policy we will refund the unexpired portion of your premium from the date of notification
- If we cancel this policy, we will refund the unexpired portion of your premium.

If you have made a claim and we have paid the full amount under:

- the policy, we will cancel the policy
- an item, we will cancel the item
- an optional benefit, we will cancel the optional benefit.

In all three cases, the cancellation will be from the date of *loss*.

16.3 Special conditions when people are insured jointly

If this policy insures more than one person or entity, they are insured jointly. A breach by one insured will be treated as a breach by all insured persons.

The most we will pay in total to all insured persons or entities during the period of insurance is the amount shown in this policy or on the certificate.

16.4 We will add Goods and Services Tax where applicable

Where we are able to recover GST under the Goods and Services Tax Act 1985:

- all amounts insured exclude GST (unless otherwise shown on the certificate), and
- GST will be added, where applicable, to claim payments.

All excesses include GST.

16.5 We can inspect your rental house

We are entitled to inspect property insured, at any reasonable time. You must provide any information we reasonably require in connection with that property.

When we inspect the property or provide an inspection report, we are not determining or warranting the safety of any operation, property or premises, nor are we confirming that these are covered by the policy.

16.6 We can give information and make payments to interested parties

If you advise us of a party holding a financial interest over the property insured under this policy, all of the following apply:

- we note that interest, but the party is not directly insured under this policy
- you authorise us to disclose personal information about you to that party in connection with this policy
- we may make a claim payment directly to that party up to the limit of its interest.

If we make such a payment, we have met our obligations to you under this policy for that amount.

16.7 This policy covers events and property in New Zealand only

This policy covers:

- your insured property while it is in New Zealand, and
- your liability that arises as a result of an *event* in New Zealand.

However, if another location is shown on the certificate, you will also be covered in that location.
