Terms of our policy to cover goods in transit

This policy wording describes the Goods in Transit policy. The policy provides cover for your goods, refrigerated goods and livestock while they are being transported within New Zealand outside your premises.

Important information about your policy

Please read and file this document and your policy certificate

Please take the time to read carefully through this policy wording and the accompanying policy certificate. Together, these two documents form your insurance contract with us.

The policies and benefits we agree to provide are listed on your certificate. This wording details the cover that this policy and benefits provide.

The policy certificate shows what you are covered for

Your policy certificate is particularly important. If there is any inconsistency between your FMG policy wording and what is on the certificate, it is the certificate that prevails.

We are here to help

Under this contract, you and FMG both have responsibilities to ensure everything runs smoothly. Read these documents to find out what they are. If there is anything that you don't understand, please contact us.

Please:

- tell us of any errors in your documentation
- contact us if there is anything you don't understand and would like explained
- keep this policy in a safe place along with your renewal notice(s).

We will remind you when your policy needs to be renewed

The date that cover ceases is shown on the policy certificate. If your policy is renewable, we will contact you about renewing your insurance just before that date.

We have defined the meanings of some words

In this document, we use italics to show that the words have the meanings given in the definitions section.

We also use the following common terms throughout the document, with the meanings shown:

- **Certificate** means the latest version of your policy certificate issued by us. The certificate contains details of your insurance cover under this policy.
- **FMG** means FMG Insurance Limited as shown on the certificate.
- **Period of insurance** means the duration of your policy, as shown on the certificate (unless the policy is ended earlier by you or us).
- **We, us, or our** means FMG.
- **You and your** means the person (or persons) shown on the certificate as the insured. You can also be a company, partnership or other legal entity.

You must provide information and pay your premium

You agree to give us correct and complete information

We have provided this policy based on the information you have disclosed to us. If you give us information that is incorrect or incomplete, you might not be covered under the policy.

You need to tell us:

- all material information before the cover starts, even if we don't specifically ask about it (material information is information that could change our decision if we knew about it)
- straight away if your circumstances change in any way while you are insured with us, both during the period of insurance and at renewal.

You agree to pay your premiums on time

Cover under your policy will not start until you have paid, or have agreed to pay, the premium (including any government charges) for the period of insurance. If your premiums are not paid by the due date, your insurance could be cancelled and you will not be insured.

You agree to the exclusions and obligations detailed in the policy

You are not covered for some items, events, and circumstances. These are called exclusions. Exclusions are detailed throughout the policy.

This policy also contains certain conditions and obligations that you must meet. If you don't, we may decline any claim you make. Any other person who is entitled to claim under this policy must also meet these conditions and obligations.

We will be fair in the way we provide this cover

We are bound by the Fair Insurance Code

FMG is a member of the Insurance Council of New Zealand and bound by the Council's Fair Insurance Code. For a copy of the Code, please call us on 0800 366 466.

We comply with the Privacy Act 2020

We collect personal information about you, your business, or both. We asked you for personal information to fully evaluate and to administer this policy, and we may ask for more if you make a claim or renew the policy. You also authorise us to:

- collect relevant information about you or your business from third parties, such as other insurers and EQC.
- disclose information about you in connection with insurance to third parties.

We fully understand the importance of protecting your personal, commercial and financial information. We store your information securely, within our organisation, and will not share it except in compliance with the Privacy Act 2020. You have rights under the Privacy Act 2020 to access and correct the information we hold about you.

For information about how we collect, use and store your personal information, see the full Privacy Statement on our website (www.fmg.co.nz).

We provide a 30-day 'cool off' period

We are confident this policy will be right for you. However, you may cancel this policy within 30 days of the start date if you are not entirely happy, without giving us a reason. We will refund any premium you have paid, provided you do not have a claim during this 30-day period.

We agree to cover your property while in transit

We agree to provide you with the insurance set out in this policy, if 'Goods in Transit' is shown on your certificate.

We cover your property while in transit

1. We cover your goods, refrigerated goods and livestock for certain events

2. The cover includes an automatic benefit

You are automatically insured for the following benefit.

2.1 We cover claim preparation costs

You are insured for the reasonable costs you incur, with our prior consent, to prepare, present or certify your claim following a loss covered under this policy, but not costs incurred in disputing the claim.

We will pay up to \$10,000 for any one *event*.

3. You can choose to add the following optional benefit

This optional benefit only applies if you have purchased it and it is shown on your certificate.

3.1 You can choose to cover your refrigerated goods for accidental deterioration caused by breakdown in transit

If you have bought this benefit, your *refrigerated goods* are insured for *accidental deterioration* caused by *breakdown* while they are being carried in a *chamber* in or on a *vehicle* anywhere in New Zealand.

We will pay up to the amount shown on the certificate for any one *event*.

Making a claim

The conditions in this section are important. You must meet all conditions before we will accept a claim under your policy with us.

7. What you must do

7.1 As soon as you know you are likely to make a claim

You must let us know immediately if anything happens that is likely to lead to a claim.

You must take reasonable steps to minimise the claim and avoid any further claim.

You must make a complaint to the police if you suspect criminal activity.

7.2 When communicating with us

You must complete our claim form in full if we ask you to do so, and return it to us within 30 days of our request.

You must provide all reasonable information and assistance we require at any time.

You must immediately send us all relevant correspondence and court documentation.

You must authorise us to:

- get personal information about you from you and third parties in connection with your insurance
- disclose personal information about you to third parties in connection with your insurance.

For more information about how we collect, use and store your personal information, see the full Privacy Statement on our website (www.fmg.co.nz).

7.3 When you have other insurance

You must immediately notify us of any other insurance that covers you for any of the risks covered under this policy.

8. What you must not do

8.1 You must not accept liability or settle things yourself

You must not admit you are liable to any party.

You must not say or do anything that prejudices our ability to:

- defend any action against you, or
- take recovery action in your name.

You must not start any remedial action or dispose of any property you intend to claim on without our prior approval.

8.2 You must not make untrue statements

You, and anyone else entitled to claim under this policy, must ensure all statements made to us are true and complete.

If your claim is dishonest or fraudulent in any way, we are entitled to:

- decline your claim in whole or in part
- bring this policy to an end from the date of the dishonest or fraudulent act
- bring all other insurance you have with us to an end from the date of the dishonest or fraudulent act.

We may also notify the police, the Serious Fraud Office or both.

9. How we will manage the claim

9.1 If two or more excesses apply, you need to pay the higher excess

If an *event* is covered under more than one of your FMG policies, you will have to pay only one excess. This will be the highest excess we can apply under those policies.

9.2 We will only pay the difference between another insurance and this one

You must immediately let us know if you have other insurance covering the risks covered under this policy. We will only pay over and above the limit payable under that other insurance.

9.3 We may make progress payments

We will, at our option, make regular progress payments for your claim provided that:

- you provide us with proof of your insured *loss*, and
- if the combined progress payments exceed the total amount of the *loss*, you must immediately refund us the difference between these amounts.

9.4 We may recover costs from those responsible for the loss

If we accept any part of your claim, we may exercise any legal rights you have to recover amounts from the persons responsible for the *loss*. Any recovery will be at our cost.

If we do this, you must co-operate and give us any help we ask for. If you refuse, you may have to repay the money we paid you.

If we succeed in recovering any money from the persons responsible, we will refund your excess. We will pay to you any remaining money recovered after deducting:

- our recovery costs, and
- the money we have paid you.

If you recover any lost or stolen property claimed under this policy:

- you must hand this over to us, and
- we are entitled to keep the property and any proceeds from its sale.

If you receive any reparations for any property on which you have made a claim under this policy, you must immediately reimburse us from these reparations up to the amount of any claim payments we have made to you.

9.5 We can choose whether or not to salvage

If your claim relates to damaged property, we are entitled to retain possession of the damaged property and deal with salvage in a reasonable manner.

You cannot abandon any property to us.

General conditions of this policy

The following conditions apply to the whole policy, and cover what you agree to do, how we manage the policy, and how the policy will be interpreted.

10. What you agree to do

These conditions must all be met before we will accept a claim under this policy.

10.1 You must comply with all terms of this policy

You, and anyone else entitled to claim under this policy, must comply with all the terms of the policy before we will meet any claim under it.

You must tell the truth at all times.

10.2 You must tell us immediately if anything changes

After this policy starts, you must notify us immediately of any change in circumstances you are aware of that affects any risks insured under this policy, whether by increasing or altering them.

Once you have done so, we may change the premium and terms of cover, at our discretion.

If you fail to let us know about any change in circumstances, we may (from the date of the failure):

- refuse to meet any claim or part of it
- cancel this policy.

10.3 You must take reasonable care

You must take reasonable care, at your own expense, to avoid and minimise *loss* or damage to the property insured under this policy, and liability to others.

This includes:

- complying with all relevant laws
- complying with all manufacturer's recommendations
- employing competent *employees*
- maintaining and operating all security protection equipment, and all fire protection and extinguishment equipment, at all relevant times.

We will not pay any claim if you have been reckless or grossly irresponsible.

10.4 Your livestock must be healthy at the start of any journey

Your livestock must be in sound health and free from any injury, physical disability or illness at the start of any journey.

You must immediately, at your own expense, use the services of a *vet* if your livestock suffers:

- an *accident*
- lameness
- illness
- injury
- physical disability.

You must remove this livestock for treatment if we require you to do so.

10.5 You must do certain things if your livestock die

If any livestock covered under this policy die, you must:

- immediately notify us of this
- supply us with all information and evidence about the death or injury of the livestock that we require at your own expense
- arrange for a post-mortem examination to be conducted by a vet at your own expense if we request it
- promptly provide the post-mortem report and related information to us if we request it, and
- dispose of the carcass to best advantage and provide us with any amount realised.

10.6 You must pay your premiums on time

Cover under this policy will begin when you have paid, or have agreed to pay, the premium for the period of insurance (including any government charges).

If we have agreed that you can pay your premium in instalments, cover under this policy will begin when you have paid, or have agreed to pay, the first instalment (including any government charges), due under this agreement.

You must pay your premiums by the due date.

If you suffer a *total loss*:

- we will not settle your claim:
 - until the full annual premium is paid, or
 - if you are paying your premium by instalments, until the balance of the full annual premium is paid, and
- we may deduct any outstanding annual premium from the claim settlement.

10.7 You must seek our written agreement to a transfer of interest

No interest in this policy can be transferred or assigned without our written agreement.

11. How we will manage this policy

11.1 How to make changes to this policy

If we agree, you may change this policy by giving us notice of the changes.

We may change the terms of this policy at any time by giving you notice at the last known address we have for you. The changes we make will take effect 14 days after the day we send or deliver the notice to you.

11.2 How to cancel this policy

You may cancel this policy at any time by giving notice to us.

We may cancel this policy at any time by giving notice to you at the last known address we have for you. Your policy will be cancelled 14 calendar days after the day we send or deliver the notice to you.

- If you cancel this policy we will refund the unexpired portion of your premium from the date of notification
- If we cancel this policy, we will refund the unexpired portion of your premium.

If you have made a claim and we have paid the full amount under:

- the policy, we will cancel the policy
- an item, we will cancel the item
- an optional benefit, we will cancel the optional benefit.

In all three cases, the cancellation will be from the date of *loss*.

11.3 We will add Goods and Services Tax where applicable

Where we are able to recover GST under the Goods and Services Tax Act 1985:

- all amounts insured exclude GST (unless otherwise shown on the certificate), and
- GST will be added, where applicable, to claim payments.

11.4 We can inspect the property

We are entitled to inspect property insured, at any reasonable time. You must provide any information we reasonably require in connection with that property.

When we inspect the property and provide an inspection report, we are not undertaking, determining or warranting the safety of any operation, property, or *premises*, nor are we confirming that these are covered by a policy.

11.5 We can give information and make payments to interested parties

If you advise us of a party holding a financial interest over the property insured under this policy, all of the following apply:

- we note that interest, but the party is not directly insured under this policy
- you authorise us to disclose personal information about you to that party in connection with this policy
- we may make a claim payment directly to that party up to the limit of its interest.

If we make such a payment, we have met our obligations to you under this policy for that amount.

11.6 This policy covers property in New Zealand only

This policy covers your insured property while it is in New Zealand. However, if another location is shown on the certificate, you will also be covered in that location.
